

PART 2 OF THE RFP - NYC COMMERCIAL WASTE ZONES

Attachment 09 - Proposer's Experience

Question 7, Duplicate Pages

- 7) For each Commercial Waste Zone the Proposer is applying for, describe in detail the Proposer's experience operating in the geographic area of that particular Zone. If the Proposer is proposing to subcontract with a Designated Carter to provide services in that particular Zone, the Proposer should also describe in detail any experience the Designated Carter has operating in the geographic area of the Zone. *(Bulleted responses are acceptable.)*

The Proposer *must* complete a response in this section for every Zone for which the Proposer is applying. If the Proposer (or any of its Designated Carters) has no previous experience in a particular Zone for which the Proposer is applying, write "No previous experience". If additional space is needed to address every Zone that the Proposer is applying for, append additional pages.

**Note:** *If you are only applying for a Citywide containerized commercial waste award and are not applying for any Zone awards, you may skip this question and move on to question 8.*
